

BRAD BAKKER BOARD SECRETARY

In the Workplace

Brad Bakker currently works for Rabo AgriFinance as the VP - Senior Litigation Counsel. In his role, he says he frequently encounters "a wide variety of legal issues that tests my limits and educates me about new areas that I wouldn't have had the opportunity to try as outside counsel." He feels "blessed" to have found such a great place to work and a great team to work with!

At Home

Brad shares his home with his wife, who is an anesthesiologist. In her free time she engages in several artistic pursuits such as painting, photography, and calligraphy. In Brad's free time, he plays guitar and strategy games, and also loves to travel.

With CHMO

"I have been passionate about improving our society's outreach to the unhoused for a long time," says Brad. "When given the chance to join the Board of Covenant House Missouri, I was thrilled to be able to offer my talents to help support an organization that is actually making a difference in the community and directly helping youth." Brad has been a vital part of our People & Culture Committee. One of his favorite parts about serving on the Board is learning about the diverse experiences of other Board members, especially at exciting events such as Sleep Out.
