

### MIKE MORRISON

#### **In the Workplace**

Mike is a Regional Sales Director at Cisco, where he enjoys his opportunity "to lead an incredible team." He prioritizes leading with a "team-first" approach and, although his team is quite large, works hard to support everyone.

#### **At Home**

Mike and his wife have 7 amazing kids between the ages of 12 and 22! He is the coach of one of his son's baseball team. In his free time, he loves to hunt, fish, ski, golf, and of course, spend time with his large family.

#### **With CHMO**

Although he has only recently joined our Board, Mike is excited to get to know the other members of our Board and continue working to improve the lives of the youth we serve. Mike has previously been involved in our annual Sleep Out, and sees joining our Board as an "opportunity to give back even more."
